

# Tell us, we're listening

## Help shape the future of Bradford District Care Foundation Trust

The Trust is embarking on an exciting piece of work to refresh its organisational strategy and we would like the input of service users, carers, Foundation Trust members and the wider public about:

- how we can make a positive impact with the communities we serve;
- the behaviours we should expect from members of staff; and
- the changes we need to make this happen.

You can share your views online or at one of our four workshops:
