

# Carer Information Booklet

Ward Name: \_\_\_\_\_

## Who is a Carer?

A carer is someone who, without payment, provides help and support to a friend, neighbour or relative who could not manage otherwise because of frailty, illness or disability. This may include helping with personal care, medication, cooking, shopping, housework and giving emotional support.

## Where is Moorlands View?

It is situated at Lynfield Mount Hospital, Heights Lane Bradford BD9 6DP.

## What can you tell me about this ward?

**Baildon Ward** is a slow stream rehabilitation ward for service users who require a longer time in their rehabilitation process.

**Thornton Ward** is an acute admission ward for service users who are acutely unwell or require assessment of their needs to enable appropriate care and treatment.

**Ilkley Ward** is a rehabilitation ward where it is expected that service users are more independent and are looking to be discharged to appropriate accommodation in the community. This ward also has an independent living area where service users can improve their skills in preparation for discharge.

## The Team on the Ward

The team here on the ward are multi-disciplinary. Within our team we have:

- Health Care Support Workers
- Therapy Support Workers
- Registered Mental Health Nurses
- Occupational Therapist
- Physiotherapists
- Ward Manager
- Ward Doctors
- Psychiatric Consultants Activities
- Social Workers

Our staff team all work together to make sure your relative is fully assessed and treated for all their different needs. Bradford District Care Foundation Trust also provides education and training for future NHS staff, so student nurses, student doctors and therapists in training may be involved in your relative's care.

There is a dedicated family visiting room at Moorlands View. You are required to contact the ward to make arrangements to visit your family member.

Child visiting is allowed however there is a process that we follow in order for these arrangements to be made.

## **What to Expect When Visiting & What Support is Available for You?**

Here on the ward we have people admitted with a wide range of needs. Mental health issues can affect people's behaviour in many different ways – some of which may be distressing to you when visiting the ward. For example people may have difficulty with maintaining their dignity, communication or expressing their needs. Please do not hesitate to let staff know if you are worried or concerned about anything here on the ward.

## **What happens whilst your Relative is a Patient at Moorlands View?**

Each patient admitted to the unit follows a process called the Care Programme Approach (CPA). Dependent on the consent of your relative you will have the opportunity to be involved in the care of your family member where you can meet the healthcare professionals involved in their care. You will be invited to attend ward reviews which include all the healthcare professionals involved in the care and treatment of your relative. These meetings discuss the progress they have made. A full multi-disciplinary team (MDT) discussion is had with your family member. In addition you will also be invited to the regular Care Programme Approach meetings which are held every six months, dependent on the consent of your family member. We will do our best to keep you fully informed and involved with your relatives care and treatment.

## **Ward Reviews**

These are fortnightly if you do wish to attend these then please contact the ward team. Care Planning Approach (CPA) meetings are held every six months. If your relative consents then you will be invited to these.

## **What's on Offer for Your Relative?**

We offer different groups here on the ward that your loved one/family member may wish to participate in. The groups are run to encourage social interaction and improve well-being. The groups are run when there are individuals who would find them meaningful and would like to participate in them – it is up to them as to which groups they wish to attend.

## **Activities/Groups Available**

The recovery college offers various modules in their prospectus which sit under seven categories. These are:

- Physical Health & Fitness
