

Finance Business and Investment Committee

Agenda
item

9.2

Bradford District Care
NHS Foundation Trust

Assurances

1. Regular review of BAF – new approach provides improved format for assurance.
2. Regular review of financial position, including receiving updates on cost pressures and out of areas placements, and development of the cost improvement programmes.
3. Received updates on the development of the Workforce Development Strategy and the Trust's approach to talent management and recruitment and retention of the workforce.
4. Receipt of the Health, Safety and Security Annual Report for 2018/19 which provided assurance on key developments within this workstream.

Areas for further development

1. Received updates on development of the Estates Strategy, considering how best use of estate can be achieved.
2. Received regular updates on informatic workstreams within the Trust. Including: network connectivity; starters and leavers (Rapid Process Improvement Workshop)
3. Business Development, identification of innovation and growth strategic aspirations (Board Development Session took place to develop further)
4. Business Case approval for anti-litigation work on doors. Following Clinical Summit, with further development work planned to co-produce the best therapeutic environment.
