STATEMENT OF COMPLIANCE

Bradford District Care Foundation Trust has undertaken a self-assessment against required areas of the EPRR Core standards self-assessment tool v1.0

Where areas require further action, **Bradford District Care Foundation Trust** will meet with the LHRP to review the attached core standards, associated improvement plan and to agree a process ensuring non-compliant standards are regularly monitored until an agreed level of compliance is reached.

Following self-assessment, the organisation has been assigned as an EPRR assurance rating of **Substantial** (from the four options in the table below) against the core standards.

Overall EPRR assurance rating	Criteria
Fully	The organisation is 100% compliant with all core standards they are expected to achieve. The organisation's Board has agreed with this position statement.
Substantial	The organisation is 89-99% compliant with the core standards they are expected to achieve. For each non-compliant core standard, the organisation's Board has agreed an action plan to meet compliance within the next 12 months.
Partial	The organisation is 77-88% compliant with the core standards they are expected to achieve. For each non-compliant core standard, the organisation's Board has agreed an action plan to meet compliance within the next 12 months.
Non-compliant	The organisation compliant with 76% or less of the core standards the organisation is expected to achieve. For each non-compliant core standard, the organisation's Board has agreed an action plan to meet compliance within the next 12 months. The action plans will be monitored on a quarterly basis to demonstrate progress towards compliance.

I confirm that the above level of compliance with the core standards has been agreed by the organisation's board / governing body along with the enclosed action plan and governance deep dive responses.
